Ona Cooling Perineal Pad Liners

1. Product and Company Identification

Product Name: Ona Cooling Perineal Pad Liners

Recommended Use: Anti-inflammatory

Manufacturer / Company:

ELEEO BRANDS 2150 Winchell Ave. Cincinnati, Ohio 45214

Telephone Number: 1-513-572-8100

2. Hazard Identification

Health Hazards: May cause eye irritation **Environmental Hazards:** Unknown

EU Classification: Not classified as a dangerous substance or preparation

US OSHA Classification: Not hazardous

Canadian WHMIS Classification: Not a controlled substance

3. Composition / Information on Ingredients

Active Ingredients	CAS Number	Percentage Range
Witch Hazel	84696-19-5	50.00%
Purified Water	7732-18-5	35.0-45.0%
Glycerin	56-81-5	0.5-5.0%
Decyl Glucoside	68515-73-1	0.1-1.0%
Aloe Barbadensis Leaf Extract	85507-69-3	0.5-5.0%
Phenoxyethanol	122-99-6	0.1-1.0%
Potassium Sorbate	24634-61-5	0.1-1.0%
Sodium Benzoate	532-32-1	0.1-1.0%
Citric Acid	77-92-9	0.1-1.0%

Ona Cooling Perineal Pad Liners

4. First Aid Measures

Inhalation: No first aid is generally required. Move to fresh air and seek medical attention if cough or other symptoms develop.

Skin Contact: No first aid should be needed. Discontinue use and seek medical attention if irritation develops and persists.

Eye Contact: Immediately flush eyes with plenty of water and remove contact lenses. Seek medical attention as needed.

Ingestion: Accidental ingestion of the wipe substrate may necessitate medical attention. Do not induce vomiting unless directed to do so by medical personnel.

5. Fire-Fighting Measures

Suitable Extinguishing Media: Use media suitable for surrounding materials.

Special Fire Fighting Procedures: In the event of a fire, wear protective clothing and a NIOSH-contained breathing apparatus.

Specific Hazards: None currently known

Hazardous Combustion Products: May include and are not limited to oxides of carbon.

6. Accidental Release Measures

Pick up and place in a suitable container for disposal.

7. Handling and Storage

Avoid contact with eyes.

No special storage conditions required.

8. Exposure Controls / Personal Protection

Exposure Limit(s): None established **Ventilation:** None required for normal use

Respiratory Protection: None required for normal use Protective Gloves: None required for normal use Eye Protection: None required for normal use

Ona Cooling Perineal Pad Liners

9. Physical and Chemical Properties

Appearance and Odor	Clear Liquid on white nonwoven pad liner/ fragrance-free
Boiling Point Range	100°C (212°F)
Melting Point Range	No data available
Vapor Pressure	No data available
Vapor Density	No data available
Solubility	Soluble
рН	4.5-5.5
Flashpoint	No data available

10. Stability and Reactivity

Stability: Stable under normal conditions.

Conditions to Avoid: Avoid freezing or excessive heat.

Incompatible Materials: None currently known **Hazardous Decomposition Products:** None

11. Toxicological Information

Effect of exposure – Inhalation: None currently known

Effect of exposure – Skin Contact: Mild skin irritation may occur in sensitive individuals.

Effect of exposure – Eye Contact: May cause mild eye irritation and redness.

Effect of exposure – Ingestion: Accidental ingestion of the wipe substrate may necessitate

medical attention.

Effect of exposure – Chronic toxicity: None currently known

Effect of exposure – Medical conditions aggravated by prolonged exposure: Individuals with atopic dermatitis or other dermatological conditions may be more susceptible to skin irritation.

12. Ecological Information

Ecotoxicity: No adverse side effects known.

Persistence and degradability: No adverse side effects known.

Mobility in soil: Unknown

Other adverse effects: None expected

13. Disposal Considerations

Dispose in accordance with state, local, and federal regulations

Ona Cooling Perineal Pad Liners

14. Transport Information

US DOT Shipping Description: Not regulated IATA Shipping Description (Air): Not regulated IMDG Shipping Description (Vessel): Not regulated

15. Regulatory Information

Scale: 0 Minimal Hazard 1 Slight Hazard 2 Moderate Hazard 3 Serious Hazard

4 Severe Hazard

16. Other Information

While the descriptions, data, and information contained herein are presented in good faith and believed to be accurate, it is provided for your guidance only. It is the user's responsibility to determine safe conditions for the use of this product and to assume liability for loss, injury, damage, or expense resulting from improper use.
